GREETINGS FROM THE PRESIDENT

Welcome Ladies to the Browns Mill Women's Golf Association's Annual Golf Tournament!

WE'RE BACK! Our last tournament, which was held in 2019 at the Innisbrook Resort outside of Tampa Florida was one for the history books. That year the BMWGA tournament hosted over 300 women from all over the country. Fast forward three years to 2022 and our annual tournament has returned. Although we cannot forget about the trying times in which the last couple of years has brought us, I am overjoyed that July 7th-10th, 2022 at the Legends Golf Resort in Myrtle Beach we will come together again for a fabulous weekend of fun, fellowship and of course let us not forget, golf.

This year the goal of BMWGA was to have a 150-player tournament, however we sold out in near record time and had to expand player participation slots. There will be just shy of 200 ladies on the courses this year in our competitive and non-competitive divisions. I am so excited to see all of you. Thank you for your participation, but I would also like to thank those who were on the waitlist for their interest in our tournament.

A tournament of this size could not be possible without some incredible soldiers on the field. At this time, I would like to acknowledge, congratulate, and thank those women who made all this a reality, the 2022 BMWGA tournament committee: Arlita Jackson and Jacquesa Smith, co-chairs; Natalie Holland, tournament director; Lena Tice, Joyce Davidson, Joyce Evans, Margaret Bolden, Melody Mixon, Stacey Terrell and SannaGai Brown. I would also like to say a special thank you to Marva Simpson for your guidance and help throughout this process. These ladies have done an outstanding job and I can not thank you enough for all you do. I also would like to thank the staff at the Legends Golf Resort for helping make this a fabulous weekend.

It's time once again for the girls to light up the greens!

Victoria Washington

President BMWGA

GREETINGS FROM THE 2022 TOURNAMENT COMMITTEE

Jacquesa Smith

Arlita Jackson

As Tournament Co-Chairs, we are pleased to welcome everyone to the BMWGA Women's Only Golf Tournament. A special thank you to the faithful attendees who return year after year. Your continued support of this event over the years is an integral part of the success that the Annual BMWGA Golf Tournament enjoys. To the participants that are attending for the very first time, we welcome you and hope you, too, will become a repeat attendee.

On behalf of the Tournament Committee, it is our sincere wish that at the conclusion of this weekend, you will have made new friends, played the best round of golf ever, and enjoyed the fellowship and all that Legends Golf Resort has to offer.

Sincerely Yours,

Jacquesa Smith and Arlita Jackson

SPECIAL RECOGNITION

Outstanding Junior Player Ariel Collins

Ariel Collins is a leading Junior player in the state of Georgia. Ariel began her journey as a golfer at a very young age winning her first tournament at the age of 6. She is now twelve and her winning ways continue. This demonstrates that she understands that hard work pays off not just on the golf course but also in life.

On August 1, 2020, as a 10-year-old, Ariel was named the 2020 U.S. Kids Golf World Champion for the 10-year-old division. This was a three-day tournament held in Pinehurst, North Carolina and included boys and girls, ages six to twelve, from all over the world. This event has been hailed as “the pinnacle event for competitive golfers ages 12 and under”. In this tournament on the final day, Ariel was behind her competitors on the 16th hole. However, this fighter from Locust Grove, Georgia, scored birdies on the 17th and 18th holes and overtook all sixty-five of her competitors to win the U.S. Kids Golf World Championship in her age group with a score of 10 under par.

Ariel's winning ways continues and has resulted in multiple titles:

- 2x World Champion
- 3X Regional Champion
- 3X State Champion

Multiple time local Atlanta Tour Champion

- 2020 U.S. Kids Golf Player of the Year
- 2021 GSGA Girls 12-15yr Player of the Year
- 2020 & 2021 GSGA Jr Tour All-Georgia Team

- Hole-in-One Club February 19, 2021

Ariel enjoys community service and has volunteered with the Special Olympics of Henry County, GA, Sisters by Choice, Inc. Breast Cancer Educational Program, Ludacris Foundation, and spending time helping the youth in the community learn the game of golf. She enjoys playing the piano, biking, reading, fishing, bowling, tennis, swimming and public speaking. Ariel cannot wait to see where this golf journey takes her!

Browns Mill Women's Golf Association is proud to recognize and honor the accomplishments of this phenomenal young girl and to support her efforts in becoming a leading LPGA golfer in the future.

General Tournament Information

OVERVIEW

The BMWGA Women's Only Tournament is a 2-day **36-Hole Stroke Play Tournament** played in accordance with the **2019 USGA Rules of Golf** except as modified by local rules or the Tournament Committee. **All participants will play by the same rules**, from the forward tees whether competitive, sassy seniors or non-competitive. The tournament will be played on the Moorland and Heathland courses at **Legends Golf & Resort** on Friday July 8th and Saturday July 9th. Winners will be announced and prizes awarded at the banquet held at the clubhouse on Saturday starting at 6 PM.

The competitor with the lowest 2-day gross score will be the **Gross Tournament Champion** and the player with the lowest 2-day net score will be the **Low Net Tournament Champion**. The gross and net champion will be lifted from their flight and 4 prizes awarded in each flight, 1st through 4th place.

Tournament rules are covered in the section below. There were major changes to the rules of golf effective January 1, 2019, please review so you are knowledgeable and ready to play. A summary of the rules can be found at [Golf's New Rules: Major Changes](#). Tips on Pace of Play are attached as separate documents.

FRIENDLY FIRE STATE COMPETITION

A state must have at least 5 golfers to qualify for this competition. The winner will be determined by combining the total of the 5 lowest scores on Friday (Day 1) and the 5 lowest scores on Saturday (Day 2) for each state. (This could be 10 scores from 10 different individuals). Winning State is recorded on the plaque.

FLIGHTS AND PAIRINGS

Participants are flighted and paired based on division of play - competition, sassy senior or non-competition.

Non-Competition - All participants for the non-competitive division are in 1 flight and paired randomly as handicap is not required. Awards are given based on scorecard drawing. The chance of winning is increased by submitting a scorecard for both days. Scores will not be tallied.

Competition and Sassy Seniors – Participants are flighted by division and handicap within the division. The June 15 or later index is used to determine handicap, capped at 40.

Pairings for Day 1 (Friday) is based on handicap. Pairings for Day 2 will be based on Day 1 results.

An individual's score for Day 1 and Day 2 is combined to determine winners. If there is a tie, the winner will be determined by a review of the scores on the #1 handicap holes starting with Day 2.

The golfer with the lowest score will be the winner. If the scores are still equal, we will review the scores for the #2 handicap hole, etc.

The Tournament Committee reserves the right to re-flight a golfer if there is a significant difference in scores relative to their handicap and assigned flight. Please keep in mind that every effort is made to make this tournament as fair as possible, fun for all, and to allow everyone an opportunity to win.

PROXIMITY PRIZES

All participants, competition, sassy seniors and non-competition, compete for the closest to the pin and straightest drive prizes. There will be 1 closest to the pin on each course on day 1 and day 2. There will be 1 straightest drive on each course on day 1 and day 2.

SCORE CARDS

Players should exchange score cards with an opponent in your group. The scorekeeper will sign the card. The golfer should double check the score before also signing the card. Turn in all signed cards to the Pro Shop. Once the card is turned in no changes will be made. NO EXCEPTIONS!!!
